Refueling Policy	Renters must return the vehicle with the same fuel level as the time of pick up. If the vehicle is not returned with the same level of fuel the renter will be charged a refuelling service charge based upon the fuel used. The refuelling charge is EUR 4,50 per litre. The renter may choose to prepay for the refuelling service charge at the time of vehicle collection. Please contact the local branch for details.
Grace Period	A day is a complete or partial period of 24 consecutive hours from the start of the Rental Period. On return, a grace period of 29 minutes will be applied if the 24-hour period is exceeded before an extra day applies. Beyond this grace period, an additional day at the local rate will be charged.
Maximum lenght of rental	There is no maximum length of rental, however the customer will have to go to a local branch every 28 days to have the condition of the vehicle checked.
After Hours	Please contact the local rental branch to enquire about after hours rentals and returns. Additional charges may apply.
