Cross Border Policy	"Unrestricted driving within Chile. Driving into Argentina is permitted. A special permit is required in order to cross the border into Argentina. The rental location must have a customer's signed rental agreement in order to request the permit. The permit is issued by the Chilean Government 24 hours after receiving the signed agreement. The permit can only be requested Monday through Friday, 9:00am to 6:00pm. The permit cost is \$200 USD. The permit is only valid for 30 days from issue date. In addition to the permit, the Argentinean government requires renters to purchase liability insurance at a cost of approximately \$100.00 USD. Alamo charges this at counter and the payment is made to the insurance company. Alamo is not responsible for any increase in cost of this liability insurance. We strongly recommend customers/renters contact the Argentinean government prior to crossing the border for complete and updated information. Customers may contact Mapfre, an insurance company based in Chile, at (56) 2-694-7000. Crossing into other countries is not permitted. Off Road Driving is not allowed."
