

Third Party Liability	Third Party Liability (TPL) protection is optional and not required to rent a vehicle. If you purchase TPL, the rental company contractually waives your responsibility for the cost of damage to third party vehicles or injuries to third parties during the rental period, up to the policy limits, unless you invalidate the coverage as provided in the rental agreement. TPL does not provide protection related to damages to the rented vehicle or injuries to the driver of the rented vehicle. Liability insurance purchased on third party travel websites and insurance that accompanies US credit or debit cards may not provide coverage in the Turks & Caicos.
